

Hi Jonathan,

Just woken up to a minus 4 degrees frost but looks to be a great day in Taupo Jonathan, Lesley and I would like to thank you for importing and selling us the Honda CRV we picked up on Saturday.

The excellent condition of the car and the way you presented it plus doing the tyres and bushes etc was very much appreciated.

The neighbours here have all come in to have a look and are impressed and if I can send you a customer or two I will do my best.

Once again many thanks and we hope you sell plenty of cars this year and years to come.

Kind Regards from two very satisfied customers  
Lesley and Roy Brown
