Jonathan Allen  
Car Connexions  
Cameron Rd  
Tauranga

Dear Sir/Madam,

This letter is to highly recommend Jonathan and Brent at Car Connexions car dealership in Tauranga.

Three years ago I purchased a vehicle from Car Connexions and was delighted with my new vehicle as well as with the great service, the price was very competitive, a CD player was suggested and fitted quickly, all round a great purchase.

A few weeks later I started having problems with the vehicle's start up in the mornings and contacted Jonathan who immediately suggested I take it into a Toyota service agent to be looked at; it turned out to be a minor problem and was fixed immediately, again another example of the great service I have received from Car Connexions.

That is why this year I am now looking to Car Connections again to upgrade my RAV, due to living in Palmerston North it is important to me to not have to travel all the way to Tauranga unless I am confident that the price of the vehicle is good and the trade offered was equally acceptable and that I trusted the dealer to offer me a quality vehicle.

Car Connexions has a web site where I found what I was after, I called Brent and he requested I e-mail him my current RAV's details so that he could offer me an accurate trade. Jonathan returned my inquiry promptly and we made all the arrangements over the phone, now all I have to do is take the car for a test drive and confirm its what I'm after, so simple and how purchasing a car should be, Thank you Car Connexions.

Yours Sincerely  
Karen Jury
