

Dear Brent

Just a short note to thank you and Jonathan for getting us the Honda CRV  
We are absolutely thrilled with the car and its condition we could have not asked  
for more.

The efforts you did in supplying a great set of tyres, number plates with  
surrounds, replacing the bushes and the excellent set of mats is greatly  
appreciated.

We felt we were very specially treated and once again would like to thank you for  
the service.

I can now understand why Len spoke so highly of you. He now wants us to go to  
Wellington and show him the car which we will probably do

Kind Regards  
Roy and Lesley
